First Annual General Meeting

The Network is now incorporated and will be holding its first Annual General Meeting on:

Monday May 11, 2009 from 1 to 4 pm
222 Provencher Blvd., Winnipeg.

We will also still have a regular Network meeting, and refreshments will be provided. Anyone may attend, but in light of the fact that we have grown from a local base to even beyond our provincial borders, we are asking all members to register if they wish to have a vote at that AGM.

- Voting can be electronic as well as in person, but one must be registered before March 15.
- Please [follow this link to register](#) before March 15.
- Those registering will receive information for voting prior to the AGM.
- If you wish to be removed from our electronic mailing list, unsubscribe instantly [here](#).

All Minutes on our Website

In the future, all Network meeting minutes will be placed on our website at www.attachmentnetwork.ca, and will no longer be emailed out. We are hoping our website will be a place you can and will visit frequently for new information on attachment programs, research, resources and links in Winnipeg, in Manitoba and beyond. Please feel free to pass on any such information you have for us to post.

Lastly, we are aiming to issue an annual newsletter so if you have submissions, we will require them by mid March annually. They can be resources you've used, anecdotes, or a description of your attachment work. All of this helps all of us in our service to families.
