

Expressive Arts Therapy for Traumatized Children and Adolescents: Deepening and Distilling the Work

2-day intensive workshop with practical and experiential components
with

Carmen Richardson, MSW, RSW, RCAT, REAT

April 7 & 8, 2017

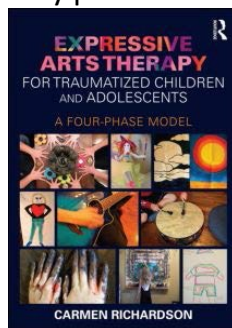

Victoria Inn, 1808 Wellington Ave., Winnipeg, MB.

12 CEU's through the CCPA

Who Should Attend

- Masters and Doctoral level, licensed or credentialed professionals in mental health. Creative and expressive arts therapists, play therapists, marriage and family therapists, counsellors and social workers, guidance counsellors, early childhood educators, students enrolled in the fields of creative arts therapies, mental health, psychology, counselling, social work and education.

This experiential workshop is based on the four phase Expressive Arts Therapy model of trauma treatment created by Carmen Richardson as outlined in her newly published book (2016).

- Case examples, direct experiences of applying Interventions that support post traumatic growth, and a focus on client assessment pre and post therapy emphasized.
 - Day 1: Distilling the assessment and treatment process.
 - Day 2: Resourcing the Therapist: Deepening the Expressive Arts Based Resourcing Process.
 - 8:30am-4:30/5pm daily. Lunch on your own.
